President Signs Conscript-
ion Bill and Sets June 5
Registration Day

(Associated Press Telegram)
Washington, May 19.—American troops when they go to the European battle front may take places so tenaciously holding fast to a strip on the extreme west—all of Belgium that escaped the German invaders. The war department today had no announcement to add to its terse bulletin of last night which merely said Major General Pershing would lead a division of regulars abroad "at as early a date as practicable."

But President Wilson's statement explaining his reasons for not accepting the offer of a division, contained a phrase which has attracted much attention and suggested the possibility that American troops may go to Belgium to help right the wrong which turned the world against Germany.

The president explained that the regular army officers whom the colonel wanted to take with his division were needed for "the much more pressing and necessary duty of training regular troops to be put into the field in France as soon as they can be sent."

So far as is known that was the first official mention of putting American troops in Belgium and the sentimental value of sending troops bearing the American flag to the violated soil of the little country in whose behalf all humanity has been aroused, has quickly been recognized. Those who favor it point out that since the United States entered the war in defense of humanity against German aggression, it is not possible to be better than the rest of the world.

Of course, American troops would be used otherwise, too, but in taking a place in the Belgian line they would release British and possibly French troops for other points. While this remains as a very strong probability, absolutely no information will be given out as to the destination of the American troops or the use to which they will be put. Neither will any information giving a clue to their time of departure be given out.

Destinations will be withheld until troops have been safely landed. Preparations for sending of the first expedition moved forward swiftly today, but entirely without publicity except as to the participation of marines, a full regiment of which was ordered abroad with regulars to make good the "first to fight" slogan of the corps. It can be said authoritatively, however, that the movement proposes to give the troops every possible advantage of training and equipment to fit them for their task.

All military advisers have agreed that additional training within bounds of the guns at the front must be given to forces taken to the battlefields in France before they took their places in the line. Reports today indicated a tremendous stimulation of recruiting for both the regular army and the national guard as a result of the announcement last night and the publication of the president's proclamation fixing June 5th as registration day for the selective army draft.

COLONEL'S FRIENDS REGRET HE WAS REFUSED COMMAND

Washington, May 19.—Colonel Roosevelt's friends in Congress, who fought hard for the provision in the army bill which made it possible for him to lead a division in France, if President Wilson had decided not to avail himself of the colonel's offer. Senator Harding of Ohio, who wrote the amendment to the army bill, authorizing sending the colonel's division, issued a formal statement saying he thought it a "regrettable mistake" to refuse the offer.

"The intent was not political," said Senator Harding. "There was no purpose to glorify Colonel Roosevelt. Frankly, we were trying to persuade the war to do something to awaken the American spirit and mollify the hostility to the conscription plan."

"But we are enlisted for the war, and a good soldier salutes the commander-in-chief."

Senator Harding predicted the colonel would see service at the front as a major general in the New York National Guard. Such a commission has been offered by Governor Whitman.

DR. BROMLEY DECLARES WOMEN ARE BROWBEATEN BY THEIR HUSBANDS

TABERNACLE PILLS.

"A whole lot of women in this country are brow beaten." "They raise the children right, but the man can go down town and get mixed up with another woman."

"I'd break a broomstick over his head if it were me."

"I like to see fellows who'll stand up for right."

Other forms of amusement in Newark suffered some loss of patronage last night when, with waving banners, the various Sunday school delegates marched to the tabernacle in an immense body. The great auditorium was literally packed and there was very little chance for late comers to procure seats.

Everywhere a spirit of enthusiasm prevailed. The Buckeye Band put in its appearance and rendered pleasing selections.

The singing had a marked amount of "pep" and "ginger" as everyone was feeling great. A good many trail hitters were in evidence and the results were indeed splendid.

MOTORS AND FRAT PINS ARE BARRED AT ARMY CAMP

Ft. Sheridan, Ill., May 19.—Fraternity pins and motor cars were placed under the ban at the reserve officers' training camp today by Colonel William Nicholson, commandant. A number of the candidates for commissions had been wearing jeweled pins on the olive drab shirts, and were using their private automobiles for trips about the camp during leisure hours.

These, Colonel Nicholson held, did not make for democracy. The college yells which have distinguished many gatherings since the camp began also have been banished. The men were told that henceforth their schooling is to be that of the American army and not that of the campus.

SPAIN SENDS NOTE.
London, May 19.—A Madrid dispatch to the Exchange Telegraph says that the note sent by the Spanish government to Berlin in regard to the sinking of the Spanish steamer, Patricio demands immediate satisfaction and guarantees for the future.

BETTER LOOK OUT.
Amsterdam, via London, May 19.—All the German papers print the news of the arrival of the American destroyer flotilla in European waters under a single headline. The Lokal Anzeiger heads the item "Now the Americans!"

The Patriotic note was presented to the German foreign office yesterday. The Spanish premier Marquis Prieto, announced in Madrid that the note "was couched in such terms as the importance of safeguarding the lives and property of Spaniards demanded."

Rev. Mr. Harter of the United Brethren church of Mowbrystown and formerly a barber in Newark led in prayer and then Dr. Bromley preached what he called "a militant sermon."

The evangelist made an unusually stirring appeal for Christian backbone and courage and took for his example the morally courageous Daniel of the Bible. He pleaded for more men to follow their convictions which they know to be right regardless of the sacrifices which they would have to make. He spoke of Daniel who had the courage to keep himself free from defilement and sin.

He declared that too many women in the country are being brow beaten; that they stay at home and raise the children and do their best to keep things going while the husbands can go off down-town and get mixed up with other women. "I tell you," he shouted, "I'd break a broomstick over their heads if I were the wives."

"No man ever fought a big fight for God Almighty, who did not run up against obstacles," declared the evangelist. On referring to those in town that have been fighting him so fiercely he said, "It sort of gets my blood going."

SENATE APPROVES WAR BUDGET BILL WITHOUT DEBATE

(Associated Press Telegram)
Washington, May 19.—The amendment to the \$3,390,000,000 war budget to the \$3,390,000,000 war budget which \$400,000,000 is to be immediately available for construction and purchase of a fleet of American merchant ships and also authorizing the president to commander shipbuilding facilities and factories was agreed to by the senate today without a roll call.

Acceptance of the shipbuilding program was in the Senate committee of the whole. A record vote may be taken later in the Senate on the passage of the bill.

Senator Smith of Georgia, withdrew his amendment to spend \$100,000,000 of the appropriation for government purchase of freight cars.

RUSSIANS UNITED
IN REJECTION OF
SEPARATE PEACE

(Associated Press Telegram)
Petrograd, May 19, via London.—The provisional government declared today that it was united in the rejection of a separate peace and that it adopts as its aim the re-establishment of a general peace which will not tend either to domination over other nations or to the seizure of their national possessions—a peace without annexation or indemnities. The government expresses its conviction that the Russian army will not suffer the Germans to destroy Russia's western allies.

German Counter Attacks On
French Line In Aisne Re-
gion Fail

(Associated Press Telegram)
New York, May 19.—Evidences are multiplying that the most energetic efforts are about to be made to rehabilitate Russia's great army and make it again an effective aggressive fighting force. Minister of War Kerensky, in assuming his new post, announces his intention of maintaining an iron discipline among the troops, a military necessity which has been conspicuously lacking since the setting in of the revolutionary movement. Recognizing the difficulty of the task after the long period of disorganization the war minister, who is reputed to be popular with the army and trusted by it, nevertheless expressed confidence in his success.

This move which includes the compulsory return of all deserters by May 28 under heavy penalties, is one of the first results of the cabinet reorganization designed to amalgamate the diverse forces whose lack of cohesion had paralyzed Russian efforts. The new cabinet is now complete and apparently is preparing to cope energetically with the big problem of reorganization before it.

The recent intensive fighting on the British front in France has subsided and the activities along the French lines in the Aisne region are confined mainly to counter attacks by the Germans. The Italian offensive, with Trieste for its objective, is therefore being watched with perhaps more active interest than any of the other war military operations in progress.

General Cadorna's armies have a heavy task before them, with the cream of Austria's fighting forces defending the naturally strong defensive positions in the Isonzo region. The Italians, however, admittedly are making progress. The current Austrian statement concedes the capture by the Italians of an important ground southeast of Pavia, in the Isonzo region north of Gorizia, insisting, however, that attacks elsewhere failed. The Italian forces already have taken more than 6,000 prisoners and numerous guns, while the Austrian reports claim the capture of some 2,000 prisoners in the desperate engagements that have been fought.

The latest German reaction in the Aisne region occurred last night along a wide front northwest of Bray-en-Laonnois. The effort to penetrate the French lines was a futile one, Paris reports, the Germans not being able even to reach the French positions except at the western end of the front where a footing in some advanced trenches was secured.

Only raiding operations are reported by General Haig from the Arras battle front and along the lines to the north. In Macedonia operations another counter attack on the positions the British had gained in their offensive movement was repulsed.

Scott, is also at Plattsburg and is a captain in the reserve. The boys are "chips of the old block" and bid fair to give a good account of themselves on European battlefields.

NEW APPLICANTS FOR ENLISTMENT IN BATTERY C

Five new names were added to the list of applicants for enlistment in Battery C which is in camp at Camp Perry. Today's proclamation by the President for registration for conscription on June 5, makes certain the fact that Newark will be called upon to give her percentage in the making up of the army, and with the volunteer enlistment the opportunity is given to choose in which department of the service you may care to serve.

The men who enlisted yesterday were Carl T. Lowendick, 21 of 406 West Church street, Earl E. Van Atta, 21, R. D. No. 3; Edward M. Brandt, 18, 65 South Third street; Nelson B. Evans, 19, Lewistown; Pa., and John S. Wilson, 22, 141 East Main street.

None of the men at Denison University have enlisted as yet, but a representative of the headquarters will visit the college again in an effort to interest them.

In 1898 Newark gave a big number of recruits, but during the present period, the enlistment has been without enthusiasm and the number who have volunteered from the city has been small.

Capt. Lawrence Schlegel and Lieut. W. B. Mansur, of the Third Infantry will be in the city this evening examining the new recruits, and all who pass the examination will leave Monday morning for Camp Perry.

(Special to The Advocate)
Hebron, O., May 19.—Hebron's latest fire, one of several which have visited the village in the past few years, destroyed property with an estimated value of \$92,000, according to revised figures obtained this morning.

The blaze destroyed the warehouses and elevators of C. A. Pence and Baugher & Trimmer, the residence and barn of Edward C. Holycross, the barn of John Richards, three T. & O. C. freight cars, loaded with hay, shingles and lumber, a small office building west of the T. & O. C. tracks, the residences of Philip Eckleberry and Edward Comisford.

The losses of Baugher & Trimmer and C. A. Pence, and F. E. Kirk constitute about \$85,000 of the loss. These estimates of loss were given this morning.

The Columbus fire company, with pumping engine and hose, from the Hilltop Engine House in Columbus, Battalion Chief Bevilheimer and 10 men, arrived about 4 o'clock, making the run from Columbus in one hour and nine minutes, being compelled to detour for a long distance just east of Columbus. The company threw water until nearly midnight before the last dying embers were extinguished. The crew spent the remainder of the night in Hebron and left this morning, via Newark, for the return trip to the Capital City.

The Columbus firemen had assistance from two men from the Newark fire department, and a half dozen men from the American Bottle plant at Newark, who came to Hebron with nearly 2,000 feet of hose. Mayor Coons and Marshal Shipley of Granville with several helpers, also responded to a call for help reaching the village after a 25-minute run from Granville.

While there has been little time to discuss the future, it was believed here today that Mr. Pence would rebuild his warehouse house.

The Ohio Electric resumed traffic this morning which was interrupted during and after the fire last night. During this interruption passengers were transferred past the scene of the blaze.

Ernest Higgins, barber, who was one of the hundreds who assisted in protecting those homes in danger from the fire, was overcome with heat and smoke while working on the Frank Robinson house just east of the Holycross residence. He was able to resume his work this morning however and it is believed will suffer no ill effects from his experience.

It was about 2:05 o'clock when the fire was discovered by several persons simultaneously. Mr. Trimmer, one of the owners of the warehouse, was standing on the platform at the T. & O. C. station, talking with the agent when he noticed smoke issuing from the windows of the structure. Almost the same instant, a man by the name of Yantz who was passing the warehouse gave the alarm. Within a few moments the alarm was sounded and the volunteer fire department was in action, using water pumped from the Ohio Electric power house.

Because of the inflammable character of the contents of the big warehouse, the efforts of the fire fighters was without result and it was soon evident that the entire residence section east of High street and northeast of the burning structure, was threatened.

Efforts were then concentrated in an attempt to prevent communication of the flames with these houses and to save furniture, etc. Practically every house in that section of the village was emptied of its furnishings in a hilly the streets and roadways were filled with every conceivable article of furniture.

Volunteers soon removed from Mr. (Continued on Page 8, Col. 3.)

CONG. COMSTOCK DIES AT CAPITAL; ILL SINCE MONDAY

(Associated Press Telegram)
Washington, May 19.—Representative Daniel W. Comstock, of Indiana, died here early this morning of pneumonia. He was 77 years old and one of the few remaining veterans of the Civil war now serving in the House.

Representative Comstock had been ill since Monday. He became unconscious early last night and died at 5 o'clock this morning.

Funeral arrangements have not been completed, but burial will be at Richmond, Ind., the home of Mr. Comstock, probably tomorrow. The body will start for Indiana tonight.

Representative Comstock is survived by his wife, a son Major Paul Comstock, of the army, and two daughters. He was a native of Ohio and was serving his first term in Congress.

NEW WAR MINISTER RESTORES MORALE TO SLAV SOLDIERS

(Associated Press Telegram)
Petrograd, May 19, via London.—Minister of War Kerensky addressing the congress of peasants, announced his determination to introduce an iron discipline into the army. He made an impassioned appeal for support in restoring the morale of Russia's military forces and his speech was greeted with enthusiastic applause. A great demonstration occurred after he finished his address. The delegates embraced the minister and carried him on their shoulders to his automobile. M. Kerensky said:

"We must before everything, consolidate the civic liberty, the revolution gave us and we shall not do this if each does not do his duty to his country with complete self sacrifice. Let us show the world we know not only how to destroy but also how to create."

"Soldiers, sailors and officers, I call on you to make a last heroic effort. I am your servant. Help me to show the world that the Russian army is not a demoralized temple but is strong and formidable, capable of making itself respected and of defending the free republic of democratic Russia."

"I am shortly going to the front. Allow me therefore to say in the trenches that the Russian peasants wish to have the land which belongs to them and that no force shall take it from them. But also allow me to say that the peasants demand, in order to achieve this object, that every one shall do his duty in a spirit of self sacrifice."

If You Want Beautiful Hair.

You can easily keep your hair in fine condition if you will be careful what you wash it with. Do not ever use cheap soap or cheaply prepared shampoos that contain too much alkali as they are liable to dry the scalp and make the hair brittle. The best thing to use and the least expensive is kreamol, a liquid which cleanses the hair and scalp thoroughly. It makes an abundance of rich creamy lather and rinses out easily and removes the dirt, dust and dandruff. Simply moisten the hair with water and rub in one or two teaspoonfuls, massage well and then rinse in clean water. Almost any drug store can supply you with kreamol and a four ounce bottle is enough to last every member of the family for many weeks.—Adv.

Kreamol is Sold at Evans' Drug Store (Warden Hotel Block), Newark, Ohio, and Ullman's Drug Store, Granville, Ohio.

I can enjoy myself again since Resinol cleared my skin

When my complexion was red, rough and pimply, I was so ashamed that I never had any fun. I imagined that people avoided me—perhaps they did! But the regular use of Resinol Soap—with a little Resinol Ointment just at first—has given me back my clear, healthy skin. I wish you'd try it!

son, a division of approximately 25,000 troops will go to France as soon as possible to co-operate with British and French forces.

President Wilson will not use the authorization given in the war army bill signed by him last night to permit Colonel Roosevelt to raise a volunteer expedition for service in France. In an announcement to this effect the President said that his action was based upon expert military advice from both sides of the water.

Machinery for enrolling and sifting 10,000,000 men and paying the way for the selection of the first 500,000 men under the new war army law, based on the President's proclamation, was set in motion by the war department today. The proclamation calls upon all men between the ages of 21 and 30 inclusive, to register for military service on June 5.

The drafted army will not be called to the colors until about September 1, but by that time the regular troops are expected to be in action against the Germans.

The orders for the sending of regular troops to France, the statement regarding Colonel Roosevelt and the proclamation, were issued by the President last night immediately after he had approved the war army bill. Contrary to custom, there were no ceremonies attending the signing of the bill. The President affixed his signature in the presence of only members of the executive staff in the White House proper and then sent it over to the executive offices. From there the document went to the war department where the proclamation was issued.

General Pershing and his staff will go to Europe ahead of his troops, at an early date as possible. He has been here for some days in conference with war department officials and British military officers.

General Pershing today formally was relieved of his command of the southern department by the President's order designating him to command the troops to be sent to Europe. He is a veteran of the Spanish-American war and led the American troops in the expedition into Mexico last fall in pursuit of Villa and his band of outlaws.

President Wilson expressed regret that he could not employ volunteers nor avail himself of the "fine vigor and enthusiasm" of Colonel Roosevelt for the expedition. "To do so," he explained, "would seriously interfere with the carrying out of the chief and most immediately important purpose contemplated by the legislation, the prompt creation and early use of an effective army, and would contribute practically nothing to the effective strength of the armies now engaged against Germany."

Officials declined today to comment on the possibility that a way would be found for using Colonel Roosevelt's services in another way. There was talk to this effect in army circles, however.

A regiment of marines, commanded by Colonel Charles A. Doyan and composed of veterans of active service in Haiti, Santo Domingo and Cuba will accompany the army division to be sent to France under Major General Pershing.

Secretary Daniels in making the announcement today said the marine regiment would have a strength of 2,600 men. It will be armed, equipped and organized in the same way as the American army regiment of the Pershing expeditionary force. Organizations which will compose the regiment will be brought home from the tropics immediately.

GIRLS KIDNAPED BY ALLEKED TAXI DRIVER AFTER SHOW WAS OVER

N. T. Rice and a companion, claiming to be from Mt. Vernon, O., were charged in police court this morning with driving an automobile and exceeding the speed limit and the former was fined \$25 and the costs. The latter was discharged as Rice admitted driving the car.

Rice with three companions was in his machine at the circus grounds last night when two girls approached and asked if it were a taxicab. Upon being answered in the affirmative they boarded the machine and requested the driver to leave them off at Fourth and West Main streets. Upon arriving there Rice stated that he would have to let a couple of the men out first and he continued on to South Second street.

When Rice started across the railroad tracks the girls knew that they had been imposed upon and demanded to be let out of the auto. The men they said told them they would let them out later and continued on to the Second street bridge. One of the girls started screaming and grabbed the steering wheel threatening to wreck the car, and endeavored to do so.

Mr. Henry Gardner hearing the girls call for assistance ran out in the street and followed the car and saw a young girl jump from the running board and roll into the street. She was almost hysterical when picked up and taken into a nearby house. The car continued south and the men becoming alarmed told the other girl to get out and they then turned and came towards the city. Mr. Gardner saw the car approaching and waited under a street light and secured the number and then walked to the public square and informed Patrolman "Ham" Stewart and the later found the car and later the owner and placed him and his companion under arrest.

The young girls would not give their names and after they had sufficiently recovered from their fright left for home.

G. O. P. SEEKING TO CONTROL SCHOOLS OF LICKING COUNTY

The regular election of a county superintendent of schools will take place Monday in the office of the board in the Trust building. There are between thirty-five and forty applications for the position in the hands of the president of the board. F. F. Koontz, of St. Louisville.

The term of the present superintendent, E. W. Jordan, expires in a few weeks, he having served two terms, the first being for one year and the second for two years, the law having changed the length of the term of filling office.

The present county board of education consists of five members. Messrs. P. F. Koontz, Walter Castle of Alexandria, S. C. Manger of Pataskala, C. S. Brown of Hebron, and C. L. Stevens of Linnville. It is hinted that politics has finally crept into county school affairs and if this is true it is to be regretted. There are two elements of the Republican party desiring to gain control. The Old Guard and the Willis adherents. The new school legislation was intended to take school affairs out of politics and it is to be hoped that that end will be attained some day.

The leading candidates for the position of superintendent of the Licking county schools are J. R. Clark of Columbus, active in the corn boys' tours to Washington; J. H. Gook, present assistant state school superintendent; R. H. Nichols, superintendent of schools of Mt. Sterling, O.; J. P. Sharkey, superintendent of schools of Van Wert; M. D. O. Wilson, superintendent of schools of Middletown, O.; W. N. Parks, superintendent of schools of Oberlin, O.; Hon. G. H. Norris of Columbus, O., ex-member of the legislature from Fairfield county; Hon. W. L. Atwell, ex-state senator from this district; J. H. Morris, superintendent of schools from Roseville, O., and J. C. Marriott, formerly of this city, now residing in Knox county, a short distance north of Utica.

A number of the above applicants are at the present time receiving a salary of \$3,000 per year. The county superintendency pays \$2,500.

PICKPOCKETS NOT ALLOWED TIME TO GET INTO ACTION

Police Chief Sheridan and force of patrolmen were active yesterday during the time that the Sells-Floto circus was in the city, and caused a number of suspects to leave and looking up several others until after the circus had gone. Among the latter were two colored men, said to be expert pickpockets from Clarksville, W. Va. They travel with women, following circuses, and the latter usually are expert shoplifters.

The two men were fined in police court today and held for police in a city in southern Ohio, where they are wanted for pocket picking. They came here from Columbus early yesterday morning and Chief Sheridan recognized them while walking in West Main street, having had their photographs for some time. He immediately placed them under arrest.

PEERS IN WINDOW; BADLY FRIGHTENS SEVERAL WOMEN

For several months past, reports have been received of annoyances suffered, especially by women, from a person masquerading as a woman.

Last night residents in the vicinity of North Eleventh street were given a fright when a face peered in the window of several homes. It was first noticed at the home of Oscar Morgan 348 North Eleventh street. The women of the neighborhood were badly frightened and the men gave chase, but the miscreant escaped by jumping on a Fourth street car. The intruder was garbed as a woman and carried an open umbrella, although it was not raining at the time.

A month or so ago, a woman in and Manufacturers exposition being with a man garbed as a woman, and others have reported seeing him in various parts of the city.

VOLUNTEERS TO SELL MADE IN NEWARK TICKETS

The Red Cross is desirous of securing a number of volunteers to sell tickets for the Rotarian's Made in Newark show, beginning May 28, the proceeds from which are to be given for war relief work.

An admission of ten cents will be charged to the show and the Red Cross asks for volunteers to help in the sale of one thousand of these tickets. It is especially desired that club and reorganization among young people take up the task as a patriotic service, and all individuals interested are asked to assist.

Tickets may be secured at the Red Cross headquarters 16 Arcade, any time between 9 a. m. and 6 p. m. on Saturday evening.

CARPENTERS START WORK MONDAY ON THE ROTARY BOOTHS

Soon after the echoes of the last gospel song at the abnecade dies away Sunday night, the rat-tat-tat of the carpenter's hammer will take the place of the music. Work will be started early Monday to prepare the big building for the Merchants and Manufacturers exposition, being staged by the Rotary Club as an industrial show and war relief benefit.

All the seats will be removed, part of the lumber being used for the construction of the exhibition booths. At the same time, exhibitors will begin placing their exhibits in the booths.

The decorator who has the contract for beautifying the interior will begin his work and electricians will begin stringing wires for the electric display. One of the features of the exposition will be the thousands of electric lights used.

The exposition will open a week later, Monday, May 28 and continue all week. All the proceeds will be devoted to war relief work.

SECURITY GETS HOME RUN

Johnny McCarty's home run drive at Minneapolis yesterday contributed largely to the Columbus 5 to 1 victory over the Millers and incidentally boosted the Columbus club into second place with a tie with Louisville. McCarty's hitting has improved greatly in the last few weeks. Johnny Shovelin, who is captain of the Columbus team, has been retired to the bench while recovering from a spike wound received several days ago.

Lodges

K. O. P.
Two applications for membership were received at this lodge at the meeting of Monday night. Reports were made by various members who attended the Knight Templar convention at Columbus. The Pythian Star lodge of Cleveland was in honor of having the best team in the district second. The work was splendid and it was postponed for one week, and therefore it is hoped all candidates will be present next Tuesday evening for the work. Bring in mind the new rates get into effect July 1, so get your candidates in before that time.

The annual Pythian memorial service will be held two weeks from next Sunday, June 3 being the date selected this year. An appropriate program has been arranged by the committee. Hon. Walter R. Ritchie being the orator of the day. This is a sacred occasion for all Knights, and it is expected the large number will turn out to pay tribute to the memory of our departed brothers.

Newark Lodge.
Newark Lodge, No. 14, K. of P. met in

regular session on Thursday evening with a very good attendance and while the regular routine of business was light there was several matters of interest taken up and discussed. The relief committee reports the annual memorial on June 3rd. A program of which was planned in these columns last evening.

Five new applications were received and referred to the proper committee. Eight pages being in waiting were called and duly proven in the Rank of Esquire and all who were there enjoyed the work to the fullest extent including the candidates. Next Thursday evening another class of Pages will be given the Esquire rank and it is the desire of the officers that there be a good attendance out at this meeting to assist in the work. Everybody seems to admire the new membership certificates which is given to every member securing a new application before the first of July so get busy, bring a new application and secure a certificate.

The Triumphant March

A NEW CREATION OF SCIENCE AND NATURE

WHEN we announced Bevo recently, our hopes were high. We knew that we had the most unusual soft drink that had ever been offered: A beverage combining the nutritive extracts of wholesome cereals, the zest of choicest Hops, a flavor all its own, and absolute purity. We knew this because, true to our own ideals, we had experimented for years before we were satisfied to say, "We offer you Bevo—it is a different soft drink—it is good and it is good for you."

High as were our hopes for its reception, we have realized them far and beyond our expectations.

Bevo today is an established popular success. Everywhere the same question is asked:—"Have you tried Bevo?"

Now, one final word. We promise you that, in accord with the known principles of Anheuser-Busch and all its products, Bevo not only will forever maintain its present high standard of quality, but as time goes on our great endeavor shall be to make this soft drink even more perfect in every detail of its goodness.

You will find Bevo at inns, restaurants, groceries, department and drug stores, picnic grounds, baseball parks, soda fountains, dining cars and other places where refreshing beverages are sold.

Guard against substitutes. Have the bottle opened in front of you, first seeing that the seal is unbroken and that the crown top bears the Fox.

Society

A summer kindergarten will be conducted in the Central school building beginning June 18, from 8:30 a. m. till 11:30 a. m. under the supervision of Miss Marjorie Lawhead.

Evans-Williams.

On Friday afternoon at one o'clock Rev. L. C. Sparks, pastor of the First M. E. church solemnized the marriage of Mrs. Margaret J. Williams and Mr. Evan B. Evans. They were attended by Mr. and Mrs. Ernest Legge. Mr. and Mrs. Evans will make their home on a farm near Alexandria.

The City Federation of Women's clubs will meet on Monday afternoon at three o'clock in Taylor Hall.

At the annual convention of the National Congress of Mothers and Parent-Teachers Association, held in Washington, D. C., the first week in May, Mrs. Chalmers W. Hutchinson of Ft. Worth, Texas, was elected as vice president of the national organization. Mrs. Hutchinson was a former Newark woman.

She is a former state president of the Texas Congress of Mothers and one of the most prominent women in the organization in the south. Mrs. Hutchinson will be remembered by Newark people as Bessie Wyeth, a graduate of the Newark High school and a student at Denison University. She is the daughter of the late David G. Wyeth, and a sister of Wright D. Wyeth of this city.

The N. Y. B. club gave a hay ride party to St. Louisville, Thursday evening. After arriving at the home of Mr. and Mrs. Earl Neighbour, a delicious luncheon was served to the following: Misses Margaret Floyd, Charlotte Andrews, Mary Herold, Esther Robinson, Thora Slaughter, Mary Ruff, Beulah Murray and Bernice Harter. Messrs. Cy Hayes, William Lyle, Clem Compton, Andrew Callahan, Harold Shannon, Ralph Daley, Albert Black and Theodore Ruff.

Miss Esther Manning gave a six o'clock dinner at her home in Fleek avenue, Thursday evening, when she entertained the girls of the senior class of St. Francis High school. The class colors blue and white were carried out in the decorations. The dinner table was centered with a cluster of pink and white tulips, surrounded with crystal holders bearing white candles shaded by blue shades. Dainty streamers of blue ribbon fell from the chandelier to the table. The favors were also of the same color. Dainty place cards seated the following guests: Misses Bernadette Winter, Bernadette Thornton, Regina Dwyer, Frances Bender, Sarah O'Shaughnessy, Elizabeth Pack, Leota Fitzpatrick and Esther Manning. In the contest which immediately followed, Miss Dwyer received the prize.

Among the social events of next week will be the wedding of Miss Leah Elsie Kohn of Columbus and Mr. Fred Schonberg of this city, which will be solemnized in Columbus on Thursday.

On Thursday evening a party of girls from the East End gave a marshmallow toast and wicker roast. The affair took place in a field in North Vine street. Those who participated in the affair were: Misses Mary Fromholz, Margaret Beeck, Mildred Ryan, Ethel Odor, Lola McGlade, Ethel McGlade, Lola Taylor, and Grace Taylor.

Mr. and Mrs. Ben B. Jones and Mrs. Anna A. Sturgeon are at Wooster, O., where last evening they attended the graduation of students of the college located there, Miss Kathryn Sturgeon, a daughter of Mrs. Sturgeon, being a member of the graduation class.

Your Boys and Girls

It always does my heart good to talk to a certain little mother who hovers over her brood of five boys as watchfully as a mother possibly can. She knows the likes and dislikes of each one, and appreciates the contrasting personalities, and tries to become more acquainted with her children's individual natures each day.

She knows that Horace dislikes apple sauce and that Alfred loves it. She knows that Arthur's favorite color is red, and that Herman prefers green. She has watched her little family with the training of a professional and has analyzed their natures thoroughly. She knows her children, and she alone can account for their shortcomings and their failure, better than anyone else. Remember that every child has a different nature and that you cannot treat all alike.

DRAFT BOARD IS SELECTED; NAMES SENT TO GOVERNOR

Judge T. B. Fulton today sent to Governor Cox the names of those whom he recommended as members of the conscription board for Licking county. Judge Fulton declined to make public the names, saying that it is up to the governor to make an announcement. Similar action was taken by Judge Blair at Mt. Vernon yesterday.

Such boards already have been announced in a number of counties over the state.

The registration under the conscription law is placed in the hands of the governors of the state for execution and according to present plans the election boards will not be called upon to act as registrars.

In his proclamation for registration, President Wilson directs those who have reached the age of 21 years and who have not yet attained the age of 31, to be registered at their usual voting places June 5, from 7 a. m. to 9 p. m. Those excepted are men now in the military service of guard. Eligibles who are ill or for any other reason unable to register, are directed to communicate with the registration board on or before the day of registration. Eligibles temporarily absent from home may register by mail. Failure to register in accordance with the law, constitutes a misdemeanor and is punishable by imprisonment of not more than one year. Those who fail to register will be duly registered after their conviction.

In the proclamation the President says:

"The power against which we are arrayed has sought to impose its will upon the world by force. To this end it has increased armament until it has changed the face of war. In the sense in which we have been wont to think of armies there are no armies in this struggle. There are entire nations armed. Thus men who remain to till the soil and man the factories are no less a part of the army in France than the men beneath the battle flags. It must be so with us. It is not an army that we must shape and train for war—it is a nation. To this end our people must be drawn close in one compact front against a common foe. But this cannot be if each man pursues a private purpose. All must pursue one purpose. The nation needs all men; but it needs each man, not in the field that will most please him, but in the endeavor that will best serve the common good."

The whole nation must be a team in which each man shall play the part for which he is best fitted. To this end our people must be drawn close in one compact front against a common foe. But this cannot be if each man pursues a private purpose. All must pursue one purpose. The nation needs all men; but it needs each man, not in the field that will most please him, but in the endeavor that will best serve the common good."

The significance of this cannot be overestimated. It is a new thing in our history and a landmark in our progress. It is a new manner of accepting and vitalizing our duty to give ourselves with thoughtful devotion to the common purpose of us all. It is in no sense a conscription of the unwilling; it is rather, selection from a nation which has volunteered. It is no more a conscription of those who shall march with the colors than it is a selection of those who shall serve an equally necessary and devoted purpose in the industries that lie behind the battle line.

PUTS THE "HEART" IN CITY CHARTER

Miss Florence Allen.

Miss Florence Allen, a Cleveland O., lawyer, recently scored a notable success when she defended before the supreme court of Ohio a suffrage amendment to the charter of East Cleveland, giving the women of that city the ballot in all local elections. Male lawyers throughout the state contended that the amendment was unconstitutional.

Miss Ethel Harriman (left) and Mrs. W. D. Robbins in their ambulance driving uniforms.

It is quite the fad now among Washington's best known society girls and young matrons to qualify as ambulance drivers for the American Red Cross. Among the three score who have thus qualified are Miss Ethel Harriman, daughter of Mrs. J. Borden Harrison, and Mrs. W. D. Robbins, wife of an official in the state department. The reason their uniforms look so good is that they were made to order by real tailors and have never known a commissary shelf.

Obituary

Mrs. Jeanette Brown.
Mrs. Jeanette Brown of North Fourth street, received a telegram from Springfield announcing the death of her niece, Mrs. Nellie Harwood Gillen. Mrs. Gillen underwent a serious operation this week from which she did not recover. She is the only daughter of Mr. and Mrs. W. J. Harwood. During her many visits in Newark, she has made a large circle of friends, who will regret to learn of her death.

Virginia Elizabeth Temple.
Virginia Elizabeth Temple, the infant daughter of Mr. and Mrs. Milton Temple, died at the home of the parents, 371 North Eleventh street, at 5:30 o'clock Friday afternoon. Death resulted from acute indigestion. The funeral services will be held Monday afternoon at 2 o'clock at the home, and burial will be made in Cedar Hill cemetery.

Funeral of J. B. Baird.
The remains of John Burr Baird was shipped by the L. N. Bradley undertaking establishment to Mt. Vernon for burial. Rev. J. E. Walters conducted the services at the home.

Mrs. Emma A. Orr.
Mrs. Emma Amelia Orr, daughter of Mr. and Mrs. Samuel Ritter, died Friday night at 11 o'clock at her home in Franklin township. Her death was caused by a complication of diseases after an illness of six weeks. She was born September 28, 1855 and was aged 61 years, 7 months and 20 days, being the widow of Lene Orr, who preceded her to the grave fifteen years ago. She leaves four sons and three daughters. Jesse Lee Orr of the home, Roy of the home, Harry E. Orr of Cleveland, Carl Orr of Somerset, Mrs. Mary R. Orr of Newark, Mrs. Pearl Schwartz of Jacksonville, and Mrs. Myrtle Orr of the home; one brother, George Ritter of Newark, and two sisters, Mrs. George Myers of Newark, and Mrs. L. M. Bryson of Newark.

The funeral services will be held at the Fairmount church upon arrival from home at 1 o'clock Sunday afternoon, Rev. H. L. Greenwald officiating.

The deceased was a member of the Lutheran church and a well known church worker all her life.

Mrs. J. P. Clark.
Friends in Newark were shocked today to receive word of the death of Mrs. J. P. Clark, who died at her home in Pittsburgh yesterday after but a short illness of pneumonia. The family formerly resided in Clinton St. city, and on several occasions Mrs. Clark has been the guest of friends, visiting here but about a month ago. She is survived by her husband, and one daughter Mrs. R. H. Sparks, of Pittsburgh. The funeral will take place in Pittsburgh, and it is probable a number of friends from here will attend the funeral.

Funeral of Pearl Kaiser.
The funeral of Karl Frederick Kaiser, the High School student, who was injured while fishing, was held at his home in 69 Pataskala street at 2 o'clock this afternoon. Rev. E. N. Kraft officiated.

Funeral of Mrs. Marie Johnson.
Funeral services for Mrs. Anna Marie Johnson will be held Monday morning at 10 o'clock at the home, 355 Clinton street. Interment will be made in Cedar Hill cemetery.

Card of Thanks.
We wish to thank our friends and neighbors for kindness and sympathy, those who rendered services in any way during the illness and death of our loved wife and mother. Also Rev. Roberts and Rev. Frush and the singers and Criss Bros. for the courteous manner in conducting the service.—William Bodie and children.

Personal

Mrs. Elizabeth K. Metz went to Akron today to visit Mr. and Mrs. B. H. Metz.

Samuel King of South Fourth street was called to Cleveland on account of his sister's death. The funeral will take place, Sunday afternoon.

Miss Mary Duffey of McMechen, W. Va., is spending the week end with her cousin, Miss Marguerite Kureth of Hoover street.

Every Day Etiquette

"Will you tell me whether soup should be taken from the side or the tip of the spoon and should knives be provided when parties are served?" asked Mrs. Youngwife.

"Soup to be palatable must be hot and should be taken from the side of the spoon. Patties are eaten with a fork," advised her mother.

PAYMASTER IS ROBBED
(Associated Press Telegram)
Chicago, May 19.—Five robbers today held up a payroll messenger, in Racine avenue, shot down a detective who was guarding him, robbed the messenger of \$6,000 and escaped in an automobile. John Byers, the detective, was "wounded," probably fatally.

CHURCH HELPS LIBERTY LOAN.
(Associated Press Telegram)
Cincinnati, O., May 19.—Liberty Loan application blanks will be placed in every hymnal book in the Ninth Street Baptist church of this city tomorrow. This is the method taken by the pastor, Rev. John Herget to help in the campaign now on to swell Cincinnati's subscriptions to the Liberty Loan.

ITALIANS TAKE KEY POSITIONS FROM AUSTRIANS

(Associated Press Telegram)
Rome, May 19, via London.—The Italians yesterday reached the crests of Hill 652 in the Vodie says today's official statement. These positions are the key to the Austrian defenses north of Monte Santo.

ARTHUR D. ANDREWS

Arthur D. Andrews, 52 years old, a bricklayer, died at his home, 54 North street at 5:00 o'clock last night following an illness of about six weeks. His death was due to a complication of diseases. The deceased was born in Ohio being the son of Thomas Andrews. He was a member of the Odd Fellows lodge, the Junior O. U. A. M. and Modern Woodmen. He is survived by his mother, two brothers, Henry, of Wilkins Corner and Howard, of Newark, two sisters, Mrs. Titus Jones, of Hebron and Miss Louise Andrews, of Newark. Funeral services will be held at 10:00 o'clock Monday morning at the Christian Union church. Burial at Cedar Hill cemetery.

ENTIRELY NEW WAY TO BANISH SUPERFLUOUS HAIR
(Really Removes Roots and All)

Why should any woman continue to wear an ugly, humiliating growth of hair on her face, now that it is known this can be completely and quickly removed, roots and all, by the new phaeoline process? The process is not to be compared at all with the depilatory, electrical or shaving methods. Phaeoline is non-damaging, non-irritating, non-poisonous—so harmless it could be eaten without any bad effect. Best of all, the hairs come out entire, even the roots, before one's very eyes! The skin is left as smooth and hair-free as a child's.

Anyone who purchases a stick of phaeoline from the druggist and follows the simple directions, is bound to be pleased and delighted—otherwise she can have her money back by merely asking for it.

KERENSKY SLATED FOR WAR MINISTRY

After a conference with the government, the Duma committee and the council of deputies, the commanding generals, have returned to the front.

M. Milukoff, foreign minister, has refused to accept the ministry of education because his presence in the cabinet would involve a responsibility for the projected foreign policy of the administration. He considers this policy dangerous and likely to compromise Russia's relations with her allies.

Let Him Say Something.

This is going to be an awful hard summer on mother—killin' p'tater bugs an' haulin' down th' flag at sunset every day. Who remembers th' old jackknife with a picture o' Lily Clay in th' handle?

To Stop Hair Loss and Rid Your Scalp of Dandruff, Use NEWBRO'S HERPICIDE

Do you have dandruff? Does your hair fall out? Is it getting thinner and the parting more pronounced every day? If so, we advise you to get busy right away and before it is too late.

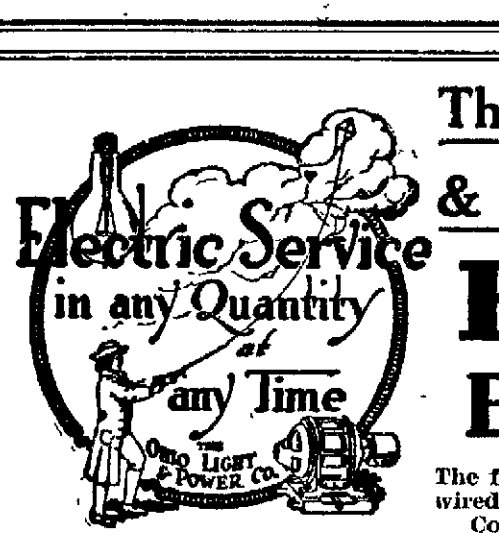

We are not trying to scare you. We are simply telling you the truth. If you would ward off impending baldness you must check that hair loss and rid your scalp of dandruff.

Start right and start now with the right remedy and stick to it—Newbro's Herpicide.

Use Herpicide daily for a while, then three times a week will be sufficient. Watch the change which takes place in the condition of your hair and scalp.

The scalp is clean and free from dandruff. The hair looks strong and healthy and does not fall out. There is vigor and snap where before the hair was dead, dull and brittle. The itching which is so annoying stops and you enjoy a feeling of coolness and cleanliness hitherto unknown.

Any dealer will sell you Newbro's Herpicide either in 50 cent or \$1.00 size. It is guaranteed by The Herpicide Co. The first application will convince you that Newbro's Herpicide is the very thing for the hair. Its odor is delightful. Applications may be obtained at the better barber shops and hair dressing parlors.

GREEKS WITHOUT FOOD.
(Associated Press Telegram)
London, May 19.—In addition to the bread famine that prevails in Athens there is a great scarcity of all other foodstuffs. Renter's correspondents at Athens telegraphed yesterday's date. Since Thursday scarcely any meats or vegetables have been on the market and the small existing stocks are selling at exorbitant prices, making the condition of the poor classes pitiable.

POLICE RECOVER STOLEN FORD CAR

When Mr. and Mrs. E. A. Smoots of Granville left the circus last night they missed their Ford car and could not locate it. The matter was reported to Police Chief Sheridan and later Captain Charles Hager discovered it at the corner of First and Franklin street where it had been abandoned by the parties who took it.

Mr. Smoots was notified at his home in Granville and today claimed his car and was profuse in his praise of the local department.

Week's Stock Review.
[ASSOCIATED PRESS TELEGRAM]
New York, May 19.—Widespread improvement and marked increase of activity on the stock exchange this week were attributed by common consent to a cessation of liquidation in rails and utilities, together with the more hopeful view taken by financial interests of the Russian situation. The loan by this government of \$100,000,000 to Russia was generally accepted as a promise of an early adjustment of the disturbed conditions in that country.

Substantial advances in important stocks, some of which were later effaced, were led by United States Steel. That stock at 122 7-8 rose to its best quotation of the year and doubtless stimulated the inquiry for related issues.

Offering by the treasury of another \$200,000,000 of certificates of indebtedness at an increased rate of interest indicated the earnest desire of the government to facilitate purchases of supplies pending the consummation of the \$2,000,000,000 loan.

A precipitate decline of 6 1/2 points in Denver and Rio Grande preferred to 10 points, the noteworthy incident of today's early trading. The weakness was expected to be affected by the court ruling rose almost 2 points.

In other quarters of the list over night developments at Washington occurred moderate restraint. On secondary offerings, however, leaders showed average gains of a point on very light dealings.

CHICAGO GRAIN.
[ASSOCIATED PRESS TELEGRAM]
Chicago, May 19.—Heavyness in wheat prices resulted today from reports that representatives of the European entente nations had agreed to liquidate their options on American grain futures and to co-operate with the United States in a pooling system whereby exports from this country would be apportioned with a view to domestic requirements. Business here in wheat was the smallest of the week. Opening wheat prices, which ranged from

the same as yesterday's finish to 50 lower with July and September at 2.05, were followed by changes that made the setback general but less extensive and then by something of a recovery.

The close was unsettled at 12c net higher with July at 2.10 and September at 2.17.

Corn developed considerable strength. After opening half off to a like advance, the market rose all around to well above yesterday's latest figures.

The close was nervous at gains of 3 to 1 1/2c net.

In oats the large export sales of late acted as a stimulus to buyers. Besides, northern Illinois and Indiana were sending in complaints of dry weather.

Higher quotations on hogs lifted provisions. Pork led the advance.

Noted Speaker at Trinity.
 The rector of Trinity church has just received a telegram that Mr. John W. Wood of New York City will be present and speak at the evening service on Sunday. Mr. Wood has world-wide reputation as a speaker, having been closely associated with the famous Bishop of the Philippines, Bishop Brent, in delivering addresses. As an editor and administrator in the general work of the Church, his wonderful work has proven him one of the foremost laymen in the American church. The evening service has been placed at 7:30 and to it, the public is cordially invited.

Commencement Notice.
 The Hanover High school commencement exercises will be held in the I. O. O. F. hall Tuesday evening, May 29th. Class colors are old rose and green; class flower, pink rose.

C. of C. Directors.
 The board of directors of the Chamber of Commerce will meet Monday afternoon at 3 o'clock to finish the election of officers and map out the reorganization of the various bureaus and committees.

Zanesville Girl Here.
 Elizabeth Adrian, 17, of Zanesville who ran away from home for the second time several days ago, has been returned to Zanesville juvenile court.

Elk Chorus Rehearsing.
 The first meeting of the Elk chorus, which will participate in the Flag Day program, will be held Sunday afternoon at 2:30 o'clock. It is the desire of the director that all members of the late Elk minstrel be present. Hon. Ralph Cole has been secured as the orator for the occasion and the famous Buckeye band will also participate.

All Trucks Responded.
 All of the fire trucks in the city were called out yesterday afternoon about 3:20 when alarm "54" was sounded, meaning that there was a fire at the Wehrle plant. It was found to be in the old foundry, just north of the railway tracks, a hole being burned in the roof of one of the buildings. The flames were extinguished by employees with a small hose. The damage was slight.

Condition Improved.
 The condition of Mrs. Charles McNeely of Poplar Avenue, who underwent an emergency operation for ap-

pendicitis at the Newark Sanitarium last Sunday evening is greatly improved.

Birth Announcement.
 Announcement is made by Mr. and Mrs. James R. 234 Woods Avenue of the birth of an eleven-pound son, Charles A. Riley, on May 15.

Returns From West.
 Dr. and Mrs. Charles H. Stimson have returned home after a several-months trip through California and along the Pacific coast. They have spent the past two weeks in Chicago and motored from that city to Newark.

Thanksgiving Services.
 Licking Lodge, K. of P., No. 62, colored, will leave Sunday morning at 9 o'clock for Zanesville to hold annual Thanksgiving service. Uniform Rank and K. of P. Battalion band of Columbus will accompany them.

Save Old Papers.
 Next Saturday will be Red Cross paper collection day. Save your old papers and place the bundle at the curb where the collectors may easily gather it up next Saturday. Tie the papers in bundles. Boys who will give their services and those who will give use of wagons and automobiles are requested to report to Superintendent Hawkins.

Five Thousand in Ellyria.
 Frank L. Johnson who was in Ellyria yesterday, reported that Ellyria has 5000 members of the Red Cross. That city much smaller than Newark started on a campaign for 2500 and succeeded so quickly that the membership was easily doubled.

WAS DOING GOOD BUSINESS UNTIL COPS INTERFERED
 Police Chief Sheridan and special officers found a stranger parking autos in a vacant field near the circus grounds last night and watched him charge the unwary 25 cents each for parking and taking care of machines. They arrested him this morning. He was fined \$5 and costs for securing money under false pretenses. He is believed to be the same fellow who worked a similar game at the same place during the Ringling circus last summer.

SELLS-FLOTO SHOW PLEASES CROWD; ANIMAL ACTS GOOD
 The Sells-Floto circus gave two exhibitions in this city yesterday, the afternoon crowd being very light. The night audience filled all the reserved seats and the east section of the big tent. The parade in the morning was very creditable and while the menagerie was small yet it proved quite interesting to circus devotees.

The circus itself is quite commendable. There were a number of very clever acts. The statutory and posing acts of women, horses and dogs were excellent. The waits were a little long and acts that were only mediocre featured.

Sells-Floto aggregation to this city and the newness of the season had not yet worn off employees and all who participated as the show has only been on the road a short time. The circus was over at exactly 9:45 and was followed by the concert, after which everything was loaded on off the grounds at 11:45 and the start made for Cambridge, where it exhibited today.

FORM AUXILIARY OF THE RED CROSS AT PATASKALA
 An auxiliary chapter of the Red Cross was organized at Pataskala on Friday evening, a number of the members of the Newark chapter being in attendance. Dr. W. E. Lewis spoke of the work of the Red Cross and Mr. W. E. Hopkins dwelt on national defense from the viewpoint of conservation of the corps and asked the people to co-operate with the farm bureau in the way of registering for the help they desired and the work they could offer. Sen. J. H. Miller spoke on what influence prohibition might have in case of war.

The officers elected were: President, Mrs. Alexander; secretary, Miss Taylor and treasurer, Mr. Colby.

The children of the city continue to gather junk for the proceeds to be devoted to the Red Cross work, and the young women members of the local chapter are stationed in the various stores and banks soliciting members for the chapter here.

Charles Chaplin.
 In "The Cure," the tenth Mutual-Chaplin, Charlie appears as one who has loved conviviality "not wisely, but too well," and when the genius of the screen makes his appearance wearing the preternaturally grave expression which contrasts so vividly with the restive Chaplin grin, there is irresistible comicality in the introduction of the comedian involuntarily into a series of extraordinary situations.

Viola Dana, the charming little Metro star, who will be seen at the Auditorium theatre Monday in the Metro-Columbia five-part feature scene play, "The Mortal Sin," will be surrounded by a distinguished cast. John H. Collins has written this unusually strong photo-drama, produced by Columbia Pictures Corporation and released on the Metro program.

Miss Dana, who plays the part of Jane Anderson, the wife, playing opposite her in the part of George Anderson, a struggling author, is Robert Walker, a favorite player already known to Metro patrons the world over.

This feature together with Mrs. Vernon Castle in "Patria" Episode No. 7, will be the Auditorium program for Monday.

Robinson Crusoe.
 Manager Fenberg of the Auditorium offers a dollar show to his patrons, but at the same usual Auditorium prices will be seen tomorrow. The features comprise the program, headed by the Henry W. Savage scenic production, "Robinson Crusoe," which is a story of a man who is marooned on a desert island with his dog, goats and parrot, with his goat-skin umbrella and suit of the same material, and with black, graying Friday following him faithfully. Robinson Crusoe has come back from his cannibal island. He brings his adventures along with him, by grace of the art of the motion picture. For Hen-

Amusements

ALHAMBRA.
 Sunday.
 Charlotte Walker, the well known emotional actress, has great opportunity in Rex Beach's gripping little story "Pardners," released by Mutual Film Corporation, in which she plays the wife of an Englishman who has gone to the Klondike to dig for gold out of the frozen rock, and is brought to the belief by her husband's long silence that he has deserted her. There is a divorce court scene in the piece, with half a dozen legal comorals, sitting about the table as Mrs. Morrow represents in a suit for divorce against her absent husband, on false information received by her.

Monday and Tuesday.
 Jack Pickford, who is supporting Vivian Martin in the Lasky-Paramount production of "The Girl at Home," which will be shown at the Alhambra Monday and Tuesday had more or less difficulty in the early part of the picture in forgetting that he was not deaf and dumb. His finished his starring vehicle, "The Dummy," under the direction of the Famous Players Company, and had grown so accustomed to talking with his hands that he was a line to say, he immediately proceeded to spell it out on his fingers, and the consternation of the photographer.

GRAND.
 Earle Williams in "Arsene Lupin." He Lived By His Wits—World renowned crook, gangster, burglar and super criminal, Arsene Lupin, had gained the reputation of being the most cunning, cunning and crafty thief on the continent. He assumed the title of the Duke of Charming, the great detective, won the day and escaped. In the course of his adventures, he takes over the title and estate, becomes engaged to the daughter of a great art collector, commits his desert, is discovered. How he escapes, how a trick wins for him his freedom, and how he decides to leave the straight and narrow path, because of his cunning, highly-gained, suspense play, with the elements of mystery and love continue to the fourth and last act, on next Monday and Tuesday.

GEM.
 A new superintendent arrives at the Ajax Mines on the Mexican Border with his wife, Lucy Ferris, James, who has enlisted under assumed name and whose troop is stationed at the mine, discovers his former sweetheart in Lucy.

Ferris, an inveterate gambler, plots with a drunken trooper to rob the paymaster of the Ajax. The money is taken to Lucy's house. Transpired, even bringing Sergeant James face to face with the problem of carrying out orders or allowing the woman he loves to be dishonored. At the Gem Sunday.

AUDITORIUM.
 The crowd yesterday at the Auditorium were large despite counter attractions and the William Fox picture "She Rider Haggard's wonderful story with Valeska Suratt, proved a most wonderful subject.

There are few who haven't read the book, but "She" on the screen is not the book. This book is particularly noticeable in the last scenes, where the pillar of life-giving fire is situated in the temple inside of a cross the mountains running into the bowels of the earth. Also, Ustane is allowed to after she has been divested of her remnants of beauty.

In fact, She emerges from the fire a hideous ape, and Leo, who cannot bear the sight, rushes from the cavern and joins Ustane.

Mary Murillo, who wrote the scenario, evidently wishes to punish the wicked and reward the faithful—hence the happy ending, but in the story Leo is described as going through life with fastened locks, never ceasing to mourn for his lost She.

In "The Cure," the tenth Mutual-Chaplin, Charlie appears as one who has loved conviviality "not wisely, but too well," and when the genius of the screen makes his appearance wearing the preternaturally grave expression which contrasts so vividly with the restive Chaplin grin, there is irresistible comicality in the introduction of the comedian involuntarily into a series of extraordinary situations.

Viola Dana, the charming little Metro star, who will be seen at the Auditorium theatre Monday in the Metro-Columbia five-part feature scene play, "The Mortal Sin," will be surrounded by a distinguished cast. Miss Dana, who plays the part of Jane Anderson, the wife, playing opposite her in the part of George Anderson, a struggling author, is Robert Walker, a favorite player already known to Metro patrons the world over.

ry W. Savage, the great theatrical producer, has signalled his entry into the movie field and offers as his first production "Robinson Crusoe."

Charlie Chaplin will also be seen. Tomorrow he offers his latest and best two roll comedy "The Cure." "Pour me back into the bottle" is the prayer of the inebriate, but Charlie insists on being poured back into the well at The Cure, the water of which he has tasted and found to be exceedingly virtuous. As an extra added attraction Miss La Compte, a well known singer, will be heard in latest song hits.

Mary Pickford.
 Mary Pickford has an uncontrollable desire to adopt homeless animals. As a result her studio can present almost any kind of a two-legged or four-footed specimen of the animal world that had needed a home. She does not spoil them, however. The fact that they are adopted and have a home of her making does not mean a life of idleness. Some or other they are bound to become actors.

In "Less Than the Dust" Miss Pickford had a camel and the sacred cow. Now they are at liberty and at home but their time will come again. In the meantime her famous duck, "Hulda," that swam all the way from Chicago to New York in the wash basin of a Pullman drawing room—has become an actor, or rather, an actress. She has made her debut in "The Frolic of the Gods," the new Pickford-Artcraft picture to be seen at the Auditorium theatre Tuesday.

Manager Fenberg of the Auditorium theatre, announces his engagement of the first Douglas Fairbanks picture to be produced for the Artcraft Pictures Corporation, "In Again—Out Again." The scenes of the photoplay are located in and about New York and present a story dealing with the romantic and spectacular career of a young blood who goes through a series of trials and tribulations to win the girl of his choice, portrayed in the typical Fairbanks style. Strange to say this young man finds it more difficult to keep in jail than out of it, and many surprises are evolved during the course of the story. It is readily felt that this will prove the greatest of all Fairbanks triumphs on the screen. To be seen next Wednesday and Thursday.

Unique Chinese Comedy.
 It would seem that the local theatrical season was to have the best things at the end rather than at the beginning. Announcement is made of the coming to this city of the famous Coburn Players for a performance in "The Yellow Jacket" at the Auditorium next Saturday afternoon and evening. Company, and had grown so accustomed to talking with his hands that he was a line to say, he immediately proceeded to spell it out on his fingers, and the consternation of the photographer.

The genuine treat in seeing "The Yellow Jacket" is not coming to the play itself, but rather to the Chinese manner of presentation, for the Coburns are given it just as it would be given in Canton, Nanking, without illusions or hidden devices of any kind, presenting the propertyman on the stage as he appears in China and allowing him to hand the various players anything they require for the particular scene that is being enacted. This is the big novelty of "The Yellow Jacket," and accounts for the great popularity of the play among those theatre patrons who would like to use their imagination.

In addition to Mr. and Mrs. Coburn, there will be a company of thirty players to the entire New York production complete. Mail orders now being received.

Keyed—

Savages are "keyed" by means of serial numbers. And are distributed by our own organization, not sold to middlemen in huge quantities and carried in stock sometimes for a year or more.

We know just where a casing is and how long it has been there. The minute a tire reaches the doubtful age, the point beyond which there is possibility of deterioration, it is replaced by a new casing.

Granville

(Special to The Advocate)

Granville, O., May 15.—The neighboring village of Hebron sent an emergency call to Granville about 4 o'clock for help in fighting the big fire Friday afternoon, as well as to Newark and Columbus Mayor Coons responded by loading 500 feet of hose, buckets and chemical apparatus into an automobile and taking Clerk Roe Morrow and Marshall Joe Shipley on a record run for the stricken village. They made the trip in 25 minutes, just ahead of the Columbus and Newark departments, but found the fire already under control. Although the Granville aid was not needed the men were thanked profusely.

A capacity audience greeted the second performance of "Martha" in the Granville Opera House last night and by its responsiveness acclaimed this one of the greatest local hits ever staged in the old town. The effect of a big, wide awake audience on the performers was marked by the increased brilliancy of the second performance. R. W. Soule, who sang the tenor parts, put over a really notable work, and was forced to respond to several encores. Mrs. Marion Rose Johnson and Mrs. J. T. Harbottle were also recalled. Gerald Athey as "Tristram" rose to the demands of his role and gave a really great interpretation of the difficult part. W. J. Livingston as "Plunkett" also surpassed his previous performances, and received hearty recognition. The account as given in Friday's Advocate needs but slight complication. The chorus of ladies, servants, etc., was composed of Misses E. Evans, H. D. Wilson, Hutson, Demster, H. Ray, L. Lockhart, J. F. Carney, Boesel, Seashoes, J. Barker, Eldridge, V. Jones, Price.

Chorus of Farmers—Messrs. Chaffee, Cober G. Sayre, Leyda, J. Hundley, Sheets, Bowman, Thrallkill, Newton.

The Orchestra—Miss Smith, Miss Starratt, Mr. W. P. Ullman, F. G. Detweiler, Gordon Seagraves, A. M. Schumaker, Currin, Abell, Hoachkiss, D. H. Rosensteel, J. L. Rosensteel and B. Kniffen.

Musical Director—R. W. Soule. Dramatic Coach—E. P. Johnson. Director of the Orchestra—K. H. Eschman.

Mrs. August Odebrecht entertained several ladies at her home in Burg street. Friday afternoon with a miscellaneous shower in honor of Miss Elizabeth Morris whose marriage to Dr. George F. McKibben, head of the modern language department will be solemnized next month. The presentation of the dainty gifts was effected in a delightful original manner. The hostess, assisted by Mrs. H. R. Hundley and Miss Howard, served delicious refreshments to Miss Morris, Mrs. W. H. Johnson, Mrs. H. D. Fish, Mrs. E. J. Dorsey, Mrs. B. I. Jones, Mrs. K. H. Eschman, Mrs. Pearl Biefeld, Mrs. C. J. Rose, Mrs. W. A. Chamberlain, Mrs. C. L. Williams, Mrs. Burton Case, Miss Rosa Kerr, Miss Blanche LaFerre.

Mrs. E. D. Barnes is in Verona, N. Y., where, with her two children, she will spend the summer at the home of her parents, Mr. and Mrs. M. B. Stevens.

Hubert Howe Bancroft, the historian of the Pacific Slope, is spending a few days in Granville as a guest of the Buxton House. As a member of one of Granville's oldest, most prominent families, the distinguished visitor is specially interested in the old town.

The Denison students under military training were out nearly five hours Friday afternoon. They marched to Alexandria.

Dr. and Mrs. Willis A. Chamberlain left early this morning for Cleveland, where they will remain until the close of the Baptist convention, now being held in that city.

At the Baptist church tomorrow, Rev. Frank Rector, D.D., pastor of the First Baptist church, Pawtucket,

LABOR ORGANIZATIONS TO HONOR DEAD WITH MEMORIAL SERVICES

Memorial services in honor of deceased members of the various labor organizations will be held in the High School auditorium, Sunday afternoon at 1:45.

The various organizations will meet in Third street, north of Main.

JUDGE ASHMAN

and be ready to march at 1:15. They will be formed in line by Chief Marshal T. O. Sattler and aids. Each local is requested to carry its respective banner supported by the American flag.

In the absence of the Buckeye

band, which has been engaged to play for the opening of Buckeye Lake Park, the Old Guard Drum Corps, will lead the procession. Should the weather be unfavorable for marching, the locals will assemble at the High school auditorium at 1:30.

The committee desires to impress upon the minds of the laboring people and their friends the importance of the occasion. There has been twenty-eight deaths in thirteen of the organizations comprising the Central Trades body, which is composed of twenty-four unions. That number of men who were able to attend the service last year will be remembered with a tear and a flower at the memorial. The committee also recognizes the counter attractions—the Bromley tabernacle campaign.

Following is the program of exercises at the High School auditorium: "America"—Audience. Invocation—Rev. Don D. Tullis. Selection—Plymouth Quartet. Opening Remarks—S. O. Riggs. Work Song—Audience. Roll Call of Deceased Members. Selection—Plymouth Quartet. Memorial Address—Judge Frank Ashman.

Closing Ode—Audience. Benediction—Rev. R. E. Carman. The committee on arrangements: S. O. Riggs, T. O. Sattler, Irwin Conn, J. C. Bush and W. M. Cocanour.

The little girls who will be on the floral and decorating committee are requested to meet Mr. Cocanous at the High School auditorium, Sunday morning at 10:30 to receive final instructions as to their duty.

HEBRON'S FIRE LOSS WILL REACH \$92,000 OWNERS ESTIMATE

(Continued From Page 1)

Pence's office all his books and fixtures. These were carried into a field to the north and west of the burning structure where the wind would not carry any sparks and embers.

Every householder in the northeastern part of the village watched his roofs closely and each incipient blaze was subdued before it had a chance to become a menace to other property.

Meantime the Baugher & Trimmer warehouses were like a seething furnace in a remarkably short space of time. The Pence warehouse caught fire and it also quickly became a roaring furnace. Within a half hour, nothing was left of either of the two big structures except a pile of burning timber and baled hay. The hay which was stacked in great piles in the buildings, was left in a great pile in the center of the ruins and continued to burn until late last night.

Soon after the Pence warehouse broke out in flames, the intense heat and burning embers, carried across High street by the high wind, communicated with the residence of Edward Holyeross, former lumber dealer here and it soon was a mass of ruins. The home of Mr. Robinson next door, though in close proximity to the Holyeross home, was saved by the tireless efforts of volunteers. Though the heat was so intense that it was almost unbearable, the volunteers stuck bravely to their task and prevented much heavier loss.

When the seriousness of the blaze was realized by the village people, a request was sent to Newark and Columbus for fire apparatus. Newark could only provide hose as the city has no pumping engine. Fire Chief Bausch sent two men and 500 feet of hose and the American Bottle Company sent 1200 feet of hose and four men to do what they could.

The Columbus fire department dispatched a large pumping engine with 1500 feet of hose. This company with 12 men arrived soon after 4 o'clock. At that time the blaze was pretty well under control. In fact it had practically burned itself out.

As a matter of precaution, the Columbus firemen stretched a line of hose through the village and the pumping engine was stationed along the canal and a stream of water soon was playing on the ruins.

The burning warehouses were located close to the tracts of the Ohio Electric interurban line and the poles and guy wires were burned off, blocking entrance to the village from the east. Several cars stopped just north of the fire.

The T. & O. C. railroad bounded the burning structures on the west. On side tracks there, stood three loaded freight cars. One contained baled hay, being loaded by Baugher & Trimmer, another contained several thousand feet of lumber, owned by the Lake Lumber company, and the third contained a consignment of asphalt shingles owned by K. C. White. All three cars were destroyed.

The crew of a T. & O. C. freight train attempted to extinguish the flames in the car of lumber by sending a blast of steam against the side of the car. The engineer, braving the intense heat, pulled his engine alongside the burning car and turned the exhaust valve on the flames.

An office near the Lake Lumber Company, located on the northwest side of the T. & O. C. tracks caught fire and was quickly consumed. This gave rise to the report late yesterday that the lumber yard was burning. This small building was the only loss suffered by the lumber company. Heroic work succeeded in preventing the many piles of lumber catching fire.

One of the spectacular features of the blaze was the destruction of several carloads of coal stored in the Pence warehouse. The coal burned slowly but with intense heat.

While the fire was still burning Hebron people again discussed the question of a water works system. Without it the village is at the mercy

of the flames and it has suffered several serious fires within the last few years. From this disaster, the village people believe that the officials will draw a lesson showing the need of better fire protection which a water system would afford. Friday afternoon it was pointed out that arrangements probably could be made with the power house to furnish the power necessary to give an adequate water pressure. The purchase of adequate fire equipment also was talked among the citizens who watched the burning embers of the two biggest business institutions in the village.

Discussing the probable origin of the blaze, Hebron people today feel sure that a spark from a T. and O. C. engine which was switching cars west of the ware houses, must have started the blaze. The possibility of boys playing with matches or smoking was also suggested.

HANDLING MERCHANDISE AND HEAVY HAULING.

The hauling of merchandise, the moving of household goods, the handling of heavy machinery is an art in itself. To handle all kinds of merchandise, and do it carefully and at the least expense has been the hobby of one Newark man who has made a study of light and heavy hauling. He has just recently built a large commodious storage room, which is modern and fireproof in which to store household goods and merchandise. Everyone knows Phil Vogelmeier, the Drayman who has founded his business success on the solid rock of service. 5-19-14

COMMITTEE FINDS ARMY CAMP SITE FILLS ALL NEEDS

If the regular army board appointed by Major General Barry at Chicago, to inspect proposed camp sites for the mobilization of the new United States army, is as enthusiastic over the fine point of the Licking county site as the local committee, the army officer will seek no further for the Ohio-West Virginia camp.

Messrs. A. A. Stasel, County Surveyor John C. Swartz, Fred Moore, Dr. W. H. Knauss, R. M. Davidson and George H. Mosser took a motor trip through the Hanover district yesterday preparing an outline map of one 1800 or 2000 acres available for the camp.

Comparing the government's requirements with the land available, the committee could see nothing lacking in Newark's offering. The Pennsylvania line from New York to St. Louis cuts the tract in twain. The B. & O. borders it on the south and a portion of the territory is traversed by the Ohio Electric.

The outline map with other information, showing the possibility of rifle and artillery ranges, will be transmitted at once to the army board with a request for an early inspection.

VISITS CLEVELAND SITE.

(Associated Press Telegram) Cleveland, O., May 15.—The official war department camp site examining board visited Cleveland today to inspect suggested camp sites here for the proposed Ohio divisional training camp for the Ohio-West Virginia contingent of the half million troops to be raised by conscription. The commission was entertained at luncheon at the Chamber of Commerce.

After the luncheon the commissioners inspected four sites offered in the vicinity of Cleveland.
